

Applicants hereby file a petition to correct the filing date and to issue a corrected Official Filing Receipt to the Applicants' representative.

In support of the above request, a photocopy of the check for filing this application (Check No. 11274; Exhibit B) and a Declaration signed by Applicants' representative, Joseph G. Contrera are enclosed.

This firm has recently noticed a rise in the number of documents lost in the Patent and Trademark Office. Specifically there seems to be an increase in documents getting separated and lost from the mailroom during the period of the spring and summer of 2001. This loss of documents has necessitated repetition of filings and petitions in a number of cases for this client as well as other clients.

The problem in this case is more difficult due to the lack of stamped postcard. See Declaration of Mr. Joseph G. Contrera. Our courier was not given a return stamped postcard by the window person and the second filed postcard was not received in this firm.

As discussed above and shown by the enclosed evidences, the application was filed on May 9, 2001.

It is therefore respectfully requested that the error of the filing date be corrected, and a corrected official filing receipt be issued and officially entered into the case, which reflects the correction of all the above-noted error. It is further requested that the corrected Official Filing Receipt be sent to the undersigned at the earliest possible time.

Respectfully submitted,

MAR 11 2002

Sir,

I, Joseph G. Contrera, as Applicants' representative, hereby declare that I signed and dated the transmittal letter of the above-identified application on May 9, 2001, and gave it with other application papers to our courier on this date for filings on May 9, 2001.

I recall the time of the courier departure to be approximately 5:00 p.m. This courier has always been extremely reliable and diligent in his filings.

When our courier delivered the application documents, he was apparently not given a stamped postcard by a window person in the Patent and Trademark office. Nor was a stamped postcard returned to this office.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001 and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,
